Dear YOU!: Your advice about life, love, etc...

25 0 4

Chapter 1 by Steph Stevens

Stephanie (33) from Dallas, Texas writes:

Dear You,

I've been single for 6 years now and my family is beginning to suspect there is something wrong with me. I feel perfectly happy- but maybe I have been alone for so long- I've forgotten how great it can be to have a partner in crime...

What's the longest you've been single and how did you go about getting yourself back out there? Or... If you're still single and loving it- what is your favorite thing to do alone?
